

Weekly Sports Results

Golf

Our golf teams commenced their competition in the Hutt Valley Division 1 and 2 grades with fixtures against Silverstream 3 and Chilton 2.

Our Division 1 team consisting of Daniel Searle and Joshua Furjes-Crawshaw played against single handicappers from Chiltons and came up 30 – 41 stableford points to Chilton.

An excellent effort from Jacob Horne who played against a 4 handicapper from St Pats Silverstream. Stream 16 stableford points, SBC Div2 11 stableford points

Touch

The Senior Touch weekly competition commenced early this year with a lot of excitement and enthusiasm. The boys had one training prior to the two games and were a little rusty. In the first game we started slowly and were down 4-3 to Silverstream 1 at the half. However, with some resolute commitment on defence the boys pulled it back to finish 5-5. Unfortunately, the second game was a mere stroll and the boys used the game to practice where possible and won 7-1. With a good turn out on Thursday at training, the boys are pushing hard to win and go one better this year and turn the 2nd into a 1st in the Wellington Region.

Congratulations to Wyatt So'otaga who represented the successful Wellington Under 16 mixed team at the Touch New Zealand Grassroots Trust 2017 Nationals Tournament in Auckland. The team was unbeaten in eight games over the three days. Wyatt was also co-captain of the team.

Water Polo

The SBC Senior team played their round 2 game against Scots College on Thursday evening at the Wellington Regional Aquatic Centre. While we have a team squad of 12 players for games each week, this week we only had 10 players available.

As in last week's game, this week we were goal for goal in a tense close fought game. As the game went on, we managed to keep a goal or two up before eventually winning 8 goals to 5. Our younger and less experienced players did well marking the older bigger boys who play at this level. Our experience from the pre-season Kickstart tournament at the end of January again helped us close the game out. Our goals were scored by several members of our team. Coach Craig is pleased with our progress to date. The boys all appreciated their parents making the trip into Wellington to support them.

Futsal

St Bernard's College 1.

Played Wainuiomata HS the other unbeaten team. Braden Longstaff, our goalkeeper, was a cross between a brick wall and a leopard who kept us in the game for the first 10 minutes of the first half. He produced 10 saves that put a massive dent in their confidence. They came back to lead 4-2 but we finished strongly and won 6-4. We closed them down quickly and efficiently and stopped them from turning us on the ball. Dylan Bennett was a massive influence in the 2nd half with his speed and tenacity. The team showed what SBC's PRIDE and PASSION means. 3 points: Brayden Longstaff, 2 points Dylan Bennett, 1 point Caleb Vallance.

St Bernard's College 2.

We came back from last weeks defeat with a 13-3 victory against Wainuiomata. This is our yr v11 team and is stacked with skilled and talented players. Jhonatan Yepes Osorio scored 5 goals and Nay James picked up 3. We showed very good close ball skills and used our speed to get around the opposition. It was great to witness the movement off the ball and the space they created. 3 points for Jhonaton Yepes Osorio (Winger), 2 points for Tresor Niyonzima (Midfield) and 1 point for Jet Zawada(Defensive).

Volleyball

SBC	vs	HVH	SBC	vs	NNC
Set 1:	25	21	Set 1:	19	25
Set 2:	25	14	Set 2:	25	21
Set 3:	25	23	Set 3:	25	19
			Set 4:	25	22

Winner SBC 3 – 0

Winner SBC 3 - 1

Our second week of the round robin was a successful one with victories over Hutt Valley High and Naenae College. While the team continues to grow in confidence on the back of some good results a lot of fine tuning is required to ensure we achieve our goal set at the beginning of the season. (To make the Hutt Valley Top 3)

"Coming together is a beginning; keeping together is progress; working together is success."
- Henry Ford.

We acknowledge the support of our sponsors supporting sport at St Bernard's College.
