

St Bernard's College Sports Newsletter

SENIOR KILIKITI TEAM - CSW WINNERS

Welcome to our Sponsors and Community Sports Newsletter - Term 1

As Term 1 has come to a close, we're proud to present the first edition of the 2025 St Bernard's College Sports Newsletter—a reflection on an action-packed start to the year.

From the opening whistle to the final sirens, our students have shown incredible determination, discipline, and enthusiasm across a wide range of sports.

This term saw the return of summer competitions, with strong performances across cricket, volleyball, kilikiti, bowls, athletics, and more. Our teams have not only delivered impressive results but have also represented the College with pride and sportsmanship at every opportunity.

For many students, this term marked the beginning of their journey in sport at St Bernard's, and it's been great to see so many new faces step up and give it their all.

In this edition, we'll take you through each sport and provide a snapshot of how the season went—key matches, memorable moments. It's also a chance to acknowledge the tireless efforts of our coaches/managers and the ongoing support from our community that help make our sporting programs thrive.

Congratulations to everyone involved in Term 1 sport. Enjoy the read, and thank you for being part of another great start to the year at St Bernard's.

Terminology used in our newsletter

- Seniors = Year 11, 12, 13's
- Juniors = Year 9 & 10
- Intermediates = Year 7 & 8's
- CSW = College Sport Wellington

Athletics

The St Bernard's College Athletics Day was once again a standout event on the Term 1 calendar, bringing together students from all year levels for a day of energy, competition, and community spirit.

Put together by Head of PE Jonny Hewson and run by SBC Staff, the event saw enthusiastic participation and with House pride on full display throughout the day, with strong support from the sidelines and plenty of friendly rivalry between competitors.

It was fantastic to see so many students stepping out of their comfort zones and getting involved—whether they were chasing records, earning points for their house, or simply having a go.

Student highlight - Te Ao Campbell Evans (aka Spider-man)- Goes Viral

One of the most unforgettable moments from this year's Athletics day came courtesy of Year 13 student Te Ao Campbell Evans, who not only broke the St Bernard's College high jump record superseeding the 1994 record held by S Dake, but did it in true style—wearing crocs and pyjama pants, and channeling his inner superhero as “Spider-Man.”

Te Ao's impressive leap wasn't just a win on the day—it quickly became a viral sensation. A video of the jump, complete with his unconventional outfit and Spider-Man mask, took off on social media, racking up over 750,000 views and 45,000 likes across platforms (and counting). The combination of serious athletic talent and fun-loving spirit made it a hit with students, staff, and viewers far beyond the school gates.

S. Dake 1994: 1.70m

T. Campbell-Evans 2025: 1.78m (new record)

Badminton

Badminton in Term 1 was all about our Intermediate students, and we're proud to say it was one of our biggest seasons yet. Organised by Naenae Badminton Club, we saw a record number of students involved, with eight teams proudly representing St Bernard's College throughout the term. It was fantastic to see such enthusiasm and depth of participation.

Looking ahead, we're excited to build on this momentum as we prepare for the upcoming College season. With two New Zealand-representative players currently attending SBC, there's a real sense of anticipation around what's to come. We're looking forward to seeing our junior and senior teams take the court and continue to raise the bar.

Bowls

Term 1 was a standout season for our Bowls teams, with two teams representing St Bernard's College in the CSW Weekly Competition. Both teams made it to the finals, showcasing incredible skill and teamwork throughout the season.

Division 2 Winners:

- Aaron Wallace (Year 11)
- Penehe Sola (Year 11)
- Ryley Hawtin (Year 9)

Congratulations to these players for their fantastic performance and their well-earned victory in Division 2. Their determination and ability to support one another played a key role in their success.

Division 1 Runners-Up:

- Jake Allen-Hargreaves (Year 11)
- Flynn Mildenhall (Year 11)

This team went undefeated all season until the final game, where they narrowly missed out on the top spot. Despite the loss, their sportsmanship, enthusiasm, and support for each other were evident throughout the season.

A special mention goes to Flynn and Jake, who were selected for the **Regional Bowls Team**. Unfortunately, due to an operation, Jake was unable to attend the competition. However, Ryley Hawtin stepped in as his replacement, and together with Flynn, represented St Bernard's College at the regional level.

CSW REGIONALS BOWLS:

St Bernard's College had a great turnout at the CSW Regional Bowls Tournament, with 11 students representing us across 5 teams and 1 individual competitor. It was a tough day, facing strong competition from across the region, but they gave their best effort and showed incredible resilience throughout the event.

PENEHE, AARON, JAKE, FLYNN, RYLEY

CSW ONE DAY REGIONAL TOURNAMENT

Basketball

Basketball at St Bernard's College has hit new heights this year, with record numbers of students signing up for the winter season. This surge in interest is a testament to the growing passion for the sport within our school community. We're also excited to welcome Josh Cody as our new Basketball Director, who will play a key role in supporting and developing basketball at SBC. With his leadership and expertise, we're looking forward to seeing the program grow even further in the seasons to come.

Our Junior and Senior teams are already preparing to battle it out for Premier spots once again, and the competition is sure to be fierce. With so many talented players in both teams, we're eager to see what the season holds.

CSW 3X3 BASKETBALL TOURNAMENT:

This term, we entered three teams into the CSW 3x3 Basketball Regional Tournament. It was a fantastic opportunity for our players to compete at a regional level and gain valuable experience in a fast-paced format. The tournament provided a great "hit-out" for our teams as they tested their skills against strong competition and started building momentum for the rest of the season.

The 3x3 format is perfect for showcasing quick thinking, sharp shooting, and excellent teamwork, all of which our students demonstrated throughout the event. We're proud of how our teams represented St Bernard's College and look forward to their continued growth in the sport.

Aims Basketball Team

As we head into the second year of the SBC Basketball League, excitement is building once again. This internal league not only gives students valuable weekly game time across two terms, but it also serves as a key part of our AIMS Games preparation process.

Our league offers a fantastic development opportunity, helping players sharpen their skills, build chemistry, and prepare for one of the biggest sporting events of the year—the AIMS Games.

We're pleased to announce the students who have been selected to represent St Bernard's College at the 2025 AIMS Games Basketball Tournament. Congratulations to the following players:

- Isaiah Simpson
- Jeroene Ortega
- Josiah Ioane
- CJ Love
- Ryan Fisher
- Van Apu'ula
- Tanerau Te Huna-Whaanga
- Kiron Walker
- Darragh Mullen
- Neo Jeun
- Patolomeo Malaeulu

Well done to all selected. We're looking forward to seeing this group grow as a team and represent SBC with pride on the national stage later this year!

Stream Invitational

The Stream Invitational Basketball Tournament is always a standout event in Term 1, and this year was no exception. Serving as the final trial before selecting our Junior and Senior A teams for the season, it gave our players the perfect opportunity to showcase their skills and get a feel for the competition ahead.

Our Junior team had an exceptional run, making it all the way to the semifinals—a fantastic achievement that highlights the talent and potential within our squad. This result is a promising sign of what's to come this season, and the team's performance has certainly raised the bar for the rest of the year.

The tournament was not just about competing—it was also a valuable opportunity to see what we're up against in the season ahead, test strategies, and refine skills. We're excited to build on this strong start and look forward to an action-packed winter season.

A huge thank you to the coaches who supported our players throughout the three-day event: Josh Cody, Jarred Sewell, and Jason Love. We also appreciate the hard work of our Manager, Chontel Foley, who kept everything running smoothly. Additionally, we couldn't have attended without the support of our referees, Amon Maluschnig and Nic Ernst, who ensured the games were well officiated, along with Kace Morales who helped on scorebench. Your contributions made all the difference, and we are grateful for your support.

Cricket

We've wrapped up another fantastic term of cricket, proudly fielding both a 1st XI and 2nd XI team. Our 1st XI had an exceptional run, going undefeated through the season and reaching the finals, where they narrowly missed out on the win by just 4 runs in a thrilling finish. It was a tough day at the office, but an incredible achievement nonetheless. A huge thank you to Tony Mildenhall, Sam Jones, and Kit Taylor for their dedication and leadership, as well as to our strong cricketing community for their continued support.

Our 2nd XI also enjoyed a successful season, coming together for the first time as a team and showing great development week after week. This growth wouldn't have been possible without the unwavering support of our cricketing parents—thank you for being there throughout the season! Special recognition goes to Andrew Greally, Peter Hogan, and Mandy Howat for their invaluable contributions to the team's journey as coaches and manager.

We are also deeply grateful to ANZ for their generous donation of cricket equipment: including bats, helmets, and a gear bag, which was put to good use by our intermediate players. A big thank you to the Old Boys as well, for their continued support of our coaches and players over the past few seasons.

We'd like to acknowledge Wellington Cricket for hosting an 8-week development programme for our players and coaches. The coaching, knowledge, and skills gained from this initiative have been instrumental in the success and growth we've seen this season.

Thank you to everyone who contributed on and off the pitch. Your passion, support, and effort have made this a memorable season, we're already excited for what term 4 will bring!

1ST XI CRICKET TEAM

2ND XI FINISHING THEIR SEASON WITH A FUN MATCH
VS WHANAU - GUESS WHO WON?

Intermediate Cricket - Success at our Sports Exchange

We were thrilled to take part in a recent sports exchange with HIBS, where an intermediate cricket team came together for a fun and competitive day under the sun. The team delivered a stellar performance, securing a convincing win with a final score of 219 to 153.

The match was led by our senior 1st XI cricket students, Jonty Taylor and Liam Taylor, whose leadership was instrumental in guiding the team to victory. Their experience and encouragement helped bring out the best in the players, showcasing great teamwork and sportsmanship throughout the game.

A special thank you to team manager and scorer Angela Porter—her advanced knowledge of the game played a key role in the day's success, both on and off the field.

Congratulations also to Kasen Luke, who was named Player of the Day by HIBS. A fantastic achievement and a reflection of his natural talent.

Well done to all involved on a successful and enjoyable exchange!

Dragon Boating

This year marked our second time participating in the Dragon Boating Regionals and Nationals and it certainly didn't come without its fair share of excitement and drama!

In the lead-up to the main event, we made the decision to enter the 'Fun Day' event, a move that paid off by giving our boys valuable race-day experience and a taste of competition before the big stage.

Regionals and Nationals:

On a sunny Sunday afternoon, our team proudly represented St Bernard's College in true SBC spirit. With two teams rotating throughout the day, the logistics were always going to be a challenge, but our fastest boat made it to the finals and the boys didn't disappoint.

In a dramatic finish, the boat capsized in the final seconds of the race. Despite placing last, the moment was unforgettable and our team may not have won, but they stole the show! The sight of our boys swimming to shore, grinning from ear to ear, brought laughter and cheers from the crowd and reminded everyone what sport is truly about: teamwork, joy, and resilience.

A huge thank you goes out to SBC staff Roy McGrath, Emma Bull, and Nick Risdon for their ongoing support week after week through the season, they transported the team to training sessions in Wellington and cheered them on during every race. We are also deeply grateful to Chris Mason, our incredible team coach, whose dedication, knowledge, and generous time helped shape the season and guide the team every stroke of the way.

Thank you to all involved for making this season such a memorable one, we're already looking forward to what next year will bring, both on and off the water!

Ultimate Team Sport!

Futsal

It's been yet another action-packed season of futsal frenzie for St Bernard's College! This year, we got an early start by selecting our Junior and Senior A teams well in advance of Regionals and Nationals. This gave our players the opportunity to train and play together weekly, allowing the teams to bond, develop chemistry, and hit the ground running for the big events.

A big thank you to Mr Harrison, who led our Senior team to the Futsal Regionals. The boys experienced a mixed bag of results but showed great resilience and team spirit throughout. We also extend our thanks to Mr McLeod, coach, and manager Sam Jones, who took our Junior team to Nationals for a three-day tournament. The competition was fierce, and our boys came close to making the finals in their division, narrowly missing out after a penalty goal. A tough result, but a performance to be proud of!

Congratulations to our Senior Pink Team, who took out their division with a brilliant season in the CSW weekly comp! A well-earned win and a fantastic effort from all involved.

Also, a special shout-out to our intermediate players, who stepped up and took on junior players each week. Your commitment, courage, and positive attitude were an inspiration and a big part of our community spirit.

Futsal continues to be a great way for our students to stay active, connect with their mates, and prepare for the upcoming football season, all while enjoying the fast-paced nature of the game.

SENIOR FUTSAL TEAM

JUNIOR FUTSAL TEAM

INTERMEDIATE FUTSAL TEAM

Golf

Good mates since primary school, Jonty Taylor and Tommy Avery (both Year 13) once again joined forces this year to compete in the CSW weekly golf competition.

The duo also represented St Bernard's College at Regionals, where they were joined by Kevin Reuben (Year 9). Well done to all three on their season!

Rip Rugby

Mr. Risdon recently took two teams, made up of his Year 12 PE class, to compete in a one-day CSW tournament. This event was part of an ongoing assessment the students have been working toward and provided a great opportunity to apply their learning in a competitive, real-world setting.

While the teams didn't make it to the finals, the day was a success from an educational standpoint. The students gained valuable experience, demonstrated teamwork, and definitely ticked a few important boxes in terms of their physical education outcomes.

Well done to all involved, it's always great to see learning and sport go hand-in-hand!

NFL Flag

As coach of this year's Flag Football team, I couldn't be prouder of the boys. Over a short but intense four-week season, the team went unbeaten — a remarkable achievement for a group that had never played the game before.

We were a big team in numbers, regularly fielding around 15 boys each week for a 5-a-side game. That depth gave us energy, flexibility, and constant competition for spots — and the boys thrived on it. They picked up the game incredibly quickly, showing great teamwork, skill, and a strong understanding of strategy despite their limited experience.

The final was a nail-biter — our closest game of the season. But even under pressure, the boys held their nerve and showed real heart to come out on top. It was a brilliant way to cap off an outstanding season.

This team has serious potential. With the enthusiasm, depth, and talent we've seen already, the sky's the limit. Watch this space — we're just getting started.

Kind regards,

Jonny Hewson
HoD Physical Education & Coach

INTERMEDIATE WINNERS

Ki O Rahi

Another year of Senior Ki o Rahi Regionals brought our boys together for a fun and spirited day of competition. While the results weren't quite what we were hoping for, the event was a great opportunity for the team to connect, compete, and enjoy the game together.

Unfortunately, the day was marked by an injury to Logan-Paul Woolley, which has ruled him out of the Junior Black Sox games. We wish Logan a smooth and speedy recovery.

A big thank you to Mr Connell-Smith for taking the boys on the day and supporting them throughout the tournament. Ka pai, team!

Kilikiti Senior Team

A huge congratulations to our Senior Boys Kilikiti team, who were crowned the inaugural College Kilikiti Champions after an outstanding day of competition!

The team secured two key wins in the round robin stage, defeating Silverstream White and the Basin Reserve champions, Naenae College, which earned them a spot in the final against Silverstream Blue.

Batting first, the boys put on a dominant display, scoring 103 runs off 60 balls, led by a phenomenal knock of 67 runs from Captain Kurtis, who led by example. In response, Silverstream Blue could only manage 52 runs from their 60 balls, thanks to a tight bowling performance from Peleti, who kept the pressure on throughout.

Solid contributions also came from Mouanaki Tavite and Dohndray Aso, rounding off what was a fantastic team effort and a well-deserved CSW championship win.

A special thank you goes to our Old Boys—Poni Lealofi, Brett Manaia, and Duane Iupeli, for their guidance and support in preparing the team. Your experience and mentorship made a huge difference.

An awesome performance and a historic win, well done, boys!

Nick Risdon

Softball

Softball remains a stronghold at St Bernard's College, and once again this year, while many schools struggled to pull teams together, we proudly fielded a solid and committed squad.

The team battled their way to the finals of the CSW tournament, where they faced off against our long-standing rivals, St Pat's Silverstream. It was a tightly contested match, and although the boys started slowly, they came back with real determination, eventually falling just one point short in a nail-biting finish. A tough loss, but an incredibly proud performance.

The tournament also served as excellent preparation for the upcoming North Island Championships, where we're looking forward to seeing the team build on this momentum.

A massive thank you to our coaching and management team—Rhys Casley, Aaron Byrne, Emma Woolley (Manager), and Rose Barber (Scorer). This formidable group provided unwavering support, matching the strength and heart shown by our players throughout the tournament.

Well done to the entire team for upholding and continuing the proud softball legacy at SBC!

Touch Rugby

Touch is a steadily growing sport at St Bernard's College, and each year we're seeing more players and stronger competition. This year was no exception, with continued progress and promising results. Our Senior Touch team made the Top 4 in both the CSW competition and at Regionals, with several close games showing just how competitive the team has become. The boys now look ahead to the New Zealand Secondary Schools (NZSS) Championships in December, where they'll continue to build on their experience and development.

A big thank you to ex-student and NZ Touch representative Dominic Ernst for coaching our senior team. His experience and leadership is an asset to our programme. We also thank Mr. Bialy, our Touch Director, for coaching and guiding our Junior A team, who compete in Term 4 as a great build-up for the CSW season ahead.

Well done to all our Touch players for a season of growth, commitment, and teamwork!

SENIOR A TEAM

INTERMEDIATE TOUCH

Our Intermediate Touch teams were in full swing this term, and once again, our top team rose to the occasion, winning Division 1 for the third consecutive season! This incredible achievement highlights the talent, teamwork, and dedication of both our players and coaching staff.

We proudly fielded four teams in the Total Touch Competition, held on Thursday nights, where hundreds of students from across the region competed for divisional titles. It was fantastic to see so many SBC students representing the school with pride, energy, and skill.

A special shoutout goes to two of our college students Toby and Quade, who stepped up to the challenge of coaching and training one of the teams—a fantastic example of student leadership in action.

A massive thank you to all our dedicated coaches and managers for their tireless support. Your commitment not only made this season possible but continues to grow the sport and strengthen SBC's presence in the Touch community.

INTERMEDIATE - DIV 1 WINNERS

Volleyball

This year, we were incredibly fortunate to have the Measina Volleyball Club step in to coach our Junior and Senior A teams, as well as lead development sessions for our rising players. Their expertise, energy, and commitment brought a real boost to our volleyball programme, helping our teams grow in skill, confidence, and cohesion.

Both teams competed at a high level throughout the season and once again earned spots in the Premiership, continuing the proud tradition of strong volleyball at SBC.

We also extend a huge thank you to Siobhan Cotter and Donna Symes, who worked closely with our second Junior team. Their dedication to development ensured that all students had the opportunity to be part of the game, learn new skills, and stay involved.

It was also great to see one of our Senior A players step into a leadership role, coaching their very own social volley team, passing on tips, fostering team spirit, and having some fun along the way. Meanwhile, some of our basketballers showed their versatility by stepping onto the volleyball court and taking on a new challenge, notching up some solid victories and proving they're true multi-sport talents.

Let's do it all again in Term 4—onwards and upwards for SBC Volleyball.

Water Polo

It was fantastic to see the return of Te Ngaengae Pool (Naenae), bringing fresh opportunities and renewed energy to our Water Polo programme. With the facility back in action, our Senior team was able to complete their season, and we also welcomed back competition in the Intermediate grade, a big step forward for the sport at SBC.

There were some strong performances across the board, with several standout individual efforts from our Senior players. The season now draws to a close, and for some of our Year 13s, it marks their final time representing St Bernard's College in the pool.

A heartfelt thank you to our leavers for their commitment and contribution to Water Polo over the years—Kurtis Hynam-Nyberg, Jimmy Shanahan, and Jacob Win. Your leadership, passion, and dedication have left a lasting impact on the team. We wish you all the best in the next chapter.

Summer Tournament Week

Summer Tournament Week is one of the biggest events on our sporting calendar, bringing together colleges from across the country to compete at a high level in a range of codes and divisions. It's a true celebration of school sport and an opportunity for students to showcase their talent, teamwork, and determination on the national stage.

This year, St Bernard's College proudly sent three teams to represent us, going head-to-head with some of the best school teams in New Zealand. Each team brought their own energy, pride, and competitive spirit, making the most of this valuable experience.

Stay tuned for more highlights from each code—we're incredibly proud of how our students represented the school both on and off the field!

Softball North Island Secondary Schools

This year, our Senior Softball team had the opportunity to stay local and return to defend our Division 2 title—a challenge we embraced with determination and high hopes.

After a strong run, we once again met Cullinane College in the semi-finals—a familiar opponent we had already beaten twice earlier in the competition. Confidence was high heading into the match, but credit where it's due, Cullinane brought their A-game when it mattered most. Despite our best efforts, we were edged out and finished 3rd overall in the Championship.

A huge thank you goes to our top-class management team: Rhys Casley, Aaron Byrne, Rose Barber, Emma Woolley, and Claire Mariri. From coaching and logistics to fundraising, making lunches, and supporting our boys on and off the diamond, your efforts were incredible. Your dedication was key to getting the team performing at this level.

Though the title wasn't ours this time, the spirit, effort, and pride shown by our team continues to reflect the strength and legacy of softball at SBC. Well done, boys!

And finally, a special thank you and farewell to our Year 13 players: Lequanne Comp, Angus Little, and Logan-Paul Woolley (injured). Your years of dedication to SBC Softball have left a lasting legacy. We wish you all the best in your next chapter!

THANK YOU TO SOFTBALL SPONSORS
DESIGN NETWORK ARCHITECTURE LTD
MANUKA HEALTH

Volleyball Nationals

Volleyball Nationals is the biggest event during Tournament Week, drawing hundreds of teams from across the country, ranging from Divisions 1 to 5. The competition spans five days, from 9 am to midnight, with plenty of waiting between games—always a hallmark of this action-packed event. Late nights are the norm, and this year was no exception.

What an epic event it was! Our team made it all the way to the semi-finals in their division, falling just short of a finals spot in a nail-biting finish. But the journey was filled with exciting moments, including major comebacks and emotional highs and lows. It was truly a rollercoaster of emotions, but through it all, the team never gave up.

We are incredibly proud of how the boys represented SBC, demonstrating grit, perseverance, and sportsmanship throughout the competition. They gave it their all and presented our school in the best light possible.

A massive thank you goes to the Measina Volleyball Club for their time and expertise, and to the wonderful Sina Uilelea, the team's manager, for looking after the boys with so much care and dedication all week.

Lastly, a special farewell to our Year 13 players who have given so much to SBC Volleyball over the years and competed in their final Nationals: Cadan Nixon and Frank Uilelea. Your contributions to the team and school have been gold.

Futsal Nationals

For the second time, our Junior Futsal team had the honour of representing SBC at the Futsal Nationals, held right here in Wellington. It was a fantastic opportunity to compete at the top level and test themselves against some of the best school teams from across the country.

Facing tough opposition throughout the tournament, the boys put in a series of strong performances and finished mid-table among 40 teams—a result they can be truly proud of. The team narrowly missed out on a finals for their division, falling just short in a penalty shootout in a tightly contested knockout match.

A massive thank you to Mr. McLeod and Sam Jones for guiding and supporting the team over the intense three days of competition.

Well done, boys—great effort and awesome representation of SBC on the national stage!

Rugby 2025: Pain of Preparation or Pain of Disappointment?

That was the question posed to our players as the theme of this year's preseason, and the boys certainly rose to the challenge. It was exciting to see such strong numbers consistently turning up, even as they were pushed through intense training sessions—all in pursuit of building something special this season.

A huge thank you to Petone legend Alex Telea, who led the Strength and Conditioning programme, ensuring our players are physically ready for what lies ahead.

We were also incredibly fortunate to have several high-calibre guest coaches share their time and expertise, including:

- Trent Renata, Wellington Lions Coach
- Kent Harris, HOBM Director of Rugby
- Marvin Kawawana, former NRL player and Wainuiomata 100-gamer
- Daniel Olive, ex-SBC 1st XV coach and 2001 championship winner
- August Collins, former Manu Samoa player and proud SBC Old Boy

Their input has been invaluable in shaping the team's preparation and culture heading into the season. All this hard work has paved the way for an exciting 2025, where SBC will field five teams, including a 3rd XV for the first time in many years—testament to the growing depth and passion for rugby at the college.

Our grading games kick off on Saturday 3rd May, with the 1st XV taking on Paraparaumu College as they begin their campaign to qualify for Premier 1.

Here's to another proud year of SBC Rugby!

Nick Risdon
Director of Rugby

WHAT TO LOOK FORWARD TO

It's going to be a busy and exciting term ahead, highlighted by our Sports Exchange with Francis Douglas Memorial College. Teams in Football, Rugby, Badminton, Hockey, and Basketball heading to Taranaki, all determined to bring the trophy home after last year's narrow draw.

Term 2 is shaping up to be just as exciting with Basketball, Football, Hockey, Table Tennis, Water Polo, plus our Cross Country and Swimming Sports on the calendar.

Bring on another big term for SBC Sport!

THANK YOU

As we head into the Winter Sports season, we'd like to extend a heartfelt thank you to all our sponsors for your ongoing support. Your contributions continue to open up more opportunities for our students and help us take our programmes to the next level. Each year, student participation in sport grows, and we're proud to be heading in the right direction. With this growth comes a need for more resources, so your support is more valued than ever.

A massive thank you also to our incredible volunteers—coaches, managers, and supervisors. Your time, commitment, and care are the backbone of sport at SBC. Without your dedication, we simply couldn't take the court or field. Together, as one community, we're building great experiences for our boys, on and off the field—guided by our '8 Player Expectations'.

There's plenty to look forward to across all codes. Make sure you follow us on social media to keep up with the latest action, results, and behind-the-scenes highlights:
