## Findings

The school is a signatory provider to the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021* established under section 534 of the Education and Training Act 2020. The school has attested that it complies with all aspects of the Code and has completed an annual self-review of its implementation of the Code.

At the time of this review there was one full-time international student. The school also host short-term stays during the year.

International students stay in local homes. A pastoral care team supports students to have access to the full range of student opportunities at the College. The Director of International Students and the International Student Liaison collaborate to ensure students are well cared for. The school would like to strengthen their internal evaluation processes to focus on enhancing the international experience for students.

The school provides programmes that enable students to select appropriate academic pathways. Annual reports to the board could be enhanced by more regular reporting and including achievement and progress data.
